

## 2016 LVRCS Club Shirts

As your Activities Coordinator, I have taken the liberty to research getting LVRCS Club shirts. I would like to know how many people would be interested in getting them made for this season.

The more shirts I order in bulk, the cheaper the shirts will be. So, the prices shown below are just estimates. You have a choice of a T-Shirt or Polo and any four colors shown. This is a pre-order without money until I know how many shirts to order. If you say you would like to buy a shirt, then you are committed. Please send me an email message with your full name and your choice of style, size and color of shirt to [sfmockus@gmail.com](mailto:sfmockus@gmail.com). Further information will be posted about payment. The deadline for your response will April 5, 2016, so everyone can have them by the first of May.

Polo Shirts are estimated to be \$25.00 and T-Shirts will be \$20.00
